CRAIG NURSERIES WILLIAM GAUNT, PROPRIETOR

I Would respectfully inform the public generally that I have purchased of the Moore estate, iving one half unterpreted of Craig. Holt county, Mo., a location for a Fruit Tree Nursery. This hand is what is termed second bottom, which is the best for the healthy growth and early maturity of nursery stock that can be obtained in this country. Having permanently located here I intend working for the interest of the people as well as myself. I will grow fruit trees, vines, shrubs, etc., and will make fine fruits a special-ty. Having had for years experience in Mary-ville, Mo., I am confident that my growing of stock will give satisfaction. I refer to any of my old customers.
